

## The Radical Hospitality Tour with Elder Robin M. Ware, CMP

Dear Pastor or Administrator,

Thank you for your consideration of hosting **The Radical Hospitality Workshop** at your upcoming leadership training.

This 3 hour training provides a great way for your leaders to inspect what you expect when it comes to delivering outstanding 5 star customer service.

The sessions covered are:

- ***Spiritual Temperaments - What's Guiding You? - this is an in-depth look at uncovering the various spiritual temperaments (personalities) of your leaders so that they can better understand how to lead and work well with each other.***
- ***Ministry Excellence on Becoming a 5 Star Church - this session reviews creative marketing, social media and customer service strategies that members can use as a membership retention tool. The social media session includes a review of your current online presence and creative strategies to immediately enhance it.***
- ***How to Grow Your Ministry Team and Retain Volunteers - leaders will learn how to attract members to join their ministry teams and to retain them. This session by far proves to make the greatest personal impact!***

As a seasoned leader and an ordained Elder, I have years of experience working in ministry as the Director of Events and Conference, the Executive Director of Events and Hospitality, Armor Bearer and Director of Marketing and Community Affairs.

I currently serve as the Overseer of Singles at my home church, Changing A Generation Full Gospel Baptist Church, where Bishop Paul S. Morton is my Pastor.

My hosting requirements include 1 airline ticket on Delta Airlines, 1 hotel room, ground transportation and an honorarium.

Please contact me with questions or to check availability by calling 678.948.5383. Again, thank you for the consideration.

Blessings,

Elder Robin M. Ware, CMP  
Church Consultant
